HURTING OTHERS OR GETTING HURT BY OTHERS...
BUT YOU HAVE TO BE CLEAR...
FROM NOW ON, I AM YOUR MOST IMPORTANT PERSON...
WE ACCEPTED EACH OTHER'S LOVE...
AND BEARING THE GUILT THAT CAN NEVER BE WASHED AWAY.
The END

Hi again, or, for the first time readers, it's nice to meet you. I'm Tenzen Momoko
This is my ninth published book. Thank you so much for picking it up! Well then, on to the comments about the stories

"Wonderful days?"
This is quite rare for me, but surprisingly little time passed from it ran in the magazine 'till it was collected in this volume. Among my characters - regardless of whether they're the uke or the seme - there's really a lot of idiots. But this time, I wasn't allowed to do a stupid seme, and thus the character Ray was born. This is the first time I've ever drawn a seme like this, you know! But unlike what I first thought, he wasn't hard to draw at all. Huh? Actually quite the opposite, he was so fun to draw. I was surprised. While drawing the first chapter, I kept wondering whether these two would get together or not... I was really unsure about it. But it seems like situations like these actually work out all right after all. (there wasn't enough planning) But after having reached the end, I really think they are a good match

By the way, Ray isn't half Japanese, but the child of two Americans. However, when his mom remarried, she married a Japanese, and Ray got the last name Kirshima

Yet again I digress, but right now, I'm also drawing Ri-chan's story for the drap magazine. If he caught your interest, I would be overjoyed if you would read his story as well!

"guilt"
This work is actually a bit old .. I drew it 3 years ago
I wonder what my thoughts and plans for this when I drew it. I can't remember .. All I can remember is thinking, "I should've done it like this instead!" about several parts right after I'd finished drawing it. Anyway, when I read it lately, I kept thinking, "Poor Komo-san!"

Special thanks to
My editor, Kitamura-sama.
Everybody who helped get this book to the stores
All my readers.

Well then
Let's meet again somewhere!
